

It was Life and Death Surgery for Ricky!

Need \$3,174....have raised \$800 thus far.

Wiggle Butt lovers! Please help!

Ricky, 11 months, was hit by a car and his owners surrendered him to the humane society who in turn approached Northern Plains Boxer Rescue to take him or they would euthanize him. He spent 21 days at the animal hospital, had 3 surgeries on his leg and one on his head.

His leg was torn open to the bone and there was little circulation in the leg so immediate surgery was needed.

Ricky is a sweet, friendly boxer who deserves a second chance. Please help!
